“The Helicopter visit was a six (1-5). “What a Weekend, Thank you for an excellend and well run class.” “Thanks for the colassal care that went into the weekend, from homemade meals to having everything so organized and on time.”

This Program will sell out, it is the best, so lock in now!

WILDERNESS FIRST AID

Crew 272 continues to raise the bar: tons of hands on gear, scenarios with live and full body manikins (so you can cut the cloths off). Enjoy a great weekend of learning, food, and fellowship. This program has sold out for four years running, we purposely limit the number of students per session so you have a very hands on experience. Registration is \$165, this includes your field guide, pocket mask, CPR, AED, O2 and WFA certs (you get it all done at one place), Food - Friday Dinner (Burger with the Crew optional) to Sunday Lunch. Male/Female bunk house lodging (camping is an option). Training starts Friday April 21th, 2017 at 7pm EDT (IN time) with CPR.

Camp Rotary is the location for the 2017 Training, just google map it, Camp Rotary Main gate Rd. Crawfordsville, Montgomery County, Indiana 47933. From W State Road 32, go South on Camp Rotary Rd. Turn Right into the camp about 1 mile down Camp Rotary Rd About 30 minutes South of Lafayette IN

NASCAR drivers don't train in golf carts, and the Colts and Bears don't practice flag football...

This world class hands-on “Train Like it's Real” program creates muscle memory for the day you are called to act.

This class will adhere to the new BSA National WFA guidelines! Pick your session, 4/21-23/2017).
