Looking for a Rewarding Summer Job? Become a Lifeguard! AND EARN a PE Credit!!!! You can get a High School PE Elective Credit!!! (Check with your High School Guidance Counselor). Lifeguarding is a great summer job, and the demand is very high now. Now is the time to plan for your summer. Do you want a challenging job where you really can make a difference? Work outdoors or indoors? Good hours, pay, and flexibility? Lifeguarding might be just the opportunity you are looking for! My past guards have found jobs working at Local Town, Church Camp, State Park, University, and College pools.

Lifeguard training (New and Renewal) will be offered. **You must be 15 years old by April 26, 2026** (adults from the community are welcome too) and able to swim 300 yards with good technique and be able to retrieve a 10 lbs. brick and swim with it 20 yards to enroll. If you fail the pretest, we will work with you to improve your swimming skills at open swim, so you can pass the swimming pretest.

You must pass two written exams with an 80% score and a final practical test to be certified. **"Lifeguard with CPR" ReCerts** (needed bi-yearly, after taking the Lifeguard class) will be the **Last Day April 26th 9 am to 4 pm**. \$100 (pay \$100 at the class).
